Specification

Appearance	White to off-white powder
Solubility	Freely soluble in DMSO and methanol
Identification	A:The HPLC RT should correspond to that of reference standard. B:IR And UV correspond to the related rule
Water	1.6%-3.0%
Single impurities	≤3.0%
Total impurities	≤5.0%
Heavy metals	≤20mg/L
Assay(by HPLC)	Micafungin >90%
Storage	Should be stored at a temperature below -20

Related Pneumocandins

Amphotericin B [HOT]	Micafungin Sodium	Anidulafur
	Micafungin	

Patent Disclaimer

PD1	Products protected by valid patents are not offered if such products constitutes a patent infringement. The and technologies that are available, under development or produced for internal and experimental
PD2	Sales of products are limited to those allowed by China Research and development quantities.
PD3	the buyer assumes responsibility of all patent consequences Lano's Pharmaceutical Co.,Ltd product(s).
PD4	R&D use in accordance with (1) 35 USC 271(e)+A1. Patent Law in Japan; (3) Section 11, No. 2 of the German Section 60, Paragraph 5b of the U.K. Patents Act of 55.2(6) and other common law exemptions of Canadian Patents Act of 1953 in New Zealand together with the Amendment Bill of 2002; (6) such related legislation applicable in the aforementioned countries; and (7) : various other countries.
