CERTIFICATE OF ANALYSIS

分析报告

Product Name	Micafungin Sodium	CAS No.	208538-73-2
Batch No.	20130309	Quantity	11g
MFG. Date	Mar.09, 2013	EXP. Date	Mar.08, 2015

Items	Reference specification	Test result
Description	White to off-white powder;	Conforms
Solubility	Freely soluble in DMSO and methanol	Conforms
Identification	A:The HPLC RT should correspond to that of reference standard.	Conforms
	B:IR And UV correspond to the related rule.	Conforms
Water	1.6%-3.0%	1.8%
Single impurities	≤3.0%	1.70 %
Total impurities	≤5.0%	1.80%
Heavy metals	≤20mg/L	Conforms
Assay(by HPLC)	Micafungin >90%	98.20%

Conclusion: It complies with Enterprise Standard.

Packing storage: in tight containers. The dry powder should be stored at a temperature below -20 °C and in transit between 2-8°C.
